THE SHOPPING EDIT

15 PAGES OF NEUTRAL MUST-HAVES

PURE AND SIMPLE DECO LOOKS

From gallery bright to sun-bleached Ibiza

FROM LEFT: Navajo Totem, Tahoma Totem, Cherokee and Chooki. £105 per m and Navajo Chooki. £105 per m (clarke-clarke.co.uk)

GOING NATIVE

We love the bold, geometric patterns of traditional Native American blankets. Their mix of diamond and zigzag shapes was the starting point for Clarke & Clarke's Navajo collection. Made from a blend of viscose, cotton, linen and polyester, the four designs - Cherokee, Chooki, Tahoma and Totem - come in up to 14 colourways. Mix them up for max impact. (clarke-clarke.co.uk)

COOL AS A CUMULUS

The only clouds we want to see this summer are these fluffy Eos pendants by V&A. Hand-covered in goose feathers, we're reliably informed that the best way to keep them clean is with a hand-dryer! Remember to order a ceiling cord or tripod stand to complete the look. From £59 (grahamandgreen.co.uk)

[Wing it]

Mythical Hermes, son of Zeus and messenger of the gods, was famed for his winged sandals. They're the inspiration for the white-hot, Daria by cult brand Ancient Greek Sandals. Handmade with chemical-free leather, they're surely chic enough for the office. Free to book a pedi. £148 (antichiefashion.com)

TRENDING NOW

[High-street zoo]

Not content with stags and bears, the high street is now a veritable Noah's Ark of creatures great and small. The summer season brings a more exotic mix of wildlife to fun up your home.

FROM LEFT: Seregeti Zebras money box, £8 (paperchase.co.uk); George Home parrots ornament, £8 (asda.com); and ostrich lamp, £85 (Abigail Ahern/EDITION.com/abigailahern.com)

TAKE SIDES

Much like lamps, you can never have too many side tables. This month, we're making space for top young designer Sam Dugan's My Bear. Cut from Carrara marble, it plays with volume depending on the angle from which it's viewed. £742 (digne-rosset.co.uk)
